

FLYERS

AFTERSCHOOL

Afterschool Program 2025-26

The FLYERS program, established over 25 years ago, is in partnership with the Fort Mill School District with the intention of creating a safe space during the after-school hours at every elementary school. Children in kindergarten through 5th grade will play, learn and grow as they engage in activities that encourage academic support, social and emotional learning, and age-appropriate development. Planned activities, hands-on manipulative play for fine motor skill enhancement, organized games for large motor skill development, snacks, and outdoor play are all part of the FLYERS Afterschool experience. FLYERS staff are experienced teachers and caregivers that strive to provide a 1:12 staff-to-student ratio. For more information about FLYERS, please visit our website at flyersprograms.org and our [Facebook page](#).
